Dear friends,

I hope you all had a wonderful and interesting summer. Lets us get ready for new beginnings and more activities now.

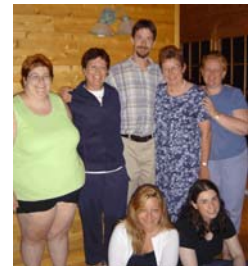

Affiliated Teachers and Practitioners

The School has certified its first group of Affiliated Teachers and Practitioners during the Gathering last January. They have completed the full training according to the standards outlined by the School. The standards and whole curriculum the School offers provides an in-depth training in Energy healing, taking energy-psychology and body-psychotherapy into account. The School is setting a great standard in this field in Ireland.

Canada

Alex Baisley who moved back to Canada as an Affiliated Teacher with **DivinaLuce** is bringing the teachings of the School to his home country and is currently training some wonderful people. He told me that there is a great interest in Five-Element-Seichem and Golden Dragon Healing out there.

I paid my first visit to Canada this summer. What an exciting experience. Alex had organised some classes and it felt very special to bring more teachings to Canada and meet some of his students in person. I hope very much to be back in 2006. Thank you so much Alex for making this all possible.

Retreat in Italy

This summer and autumn has been exciting for me in many ways. Another highlight was the retreat in Italy during September. We had an awesome time. The place itself, a mountain top village, tucked away from modern times, was so magical and full of medieval beauty that we all felt like coming back another time and to another time. Our stay at the Palazzo from the 15th century was an experience in itself.

New healings and initiations were introduced to Golden Dragon Healing and some miraculous healings took place. We cleansed at the sulphur baths and natural hot sulphur springs and visited Assisi to connect with Francis' beautiful and powerful healing energy.

Our visit to one of the caves where Francis lived as a hermit felt very sacred.

Our time together brought a further awakening of our spiritual gifts and abilities, new teachings, cellular purification, ongoing healing, joy and beauty.

Module 6 : Polarity-Seichem

More classes in 2006.

Polarity-Seichem-1: Look forward to the one week **residential in August**. This training class allows you to really experience and understand the five elements in action and give you great new tools for healing. The combined teaching of Polarity and Seichem has created a whole new dimension to Five-Element-Seichem not available before. Those of you who have done this class and would like to repeat can do so at a reduced rate.

Polarity-Seichem-2: There are two classes scheduled for 2006: **February 24th-26th** and the **1st-3rd of December**.

Polarty-Seichem-3: This is an advanced workshop I taught during the retreat in Switzerland in 2004 for the first time. It is based on the sacred geometry patterns of the five elements and will include new treatments based on the five and six pointed star patterns in the human energy field. Watch out for dates for this very special class next year.

Golden Dragon 5

New dates: The next Golden Dragon 5 support evening is on Thursday, 17th of November in the Clybaun Hotel from 7-10pm. This is of particular interest to those that could not come to the retreat as I will give the initiation into the Sword of Truth on that night. (€40). Please let me know, if you want to be part of this powerful evening. For all those that where in Italy, this is an opportunity to deepen and strengthen your connection with this opening (€15). Testimonials

Patricia Mora-Richter, an Affiliated Practitioner/Teacher and Gynaecologist from Costa Rica has recently and successfully used Polarity-Seichem to heal a haemorrhaging cyst. She used the water and fire treatment, was able to stop severe pain within an hour and the next cheque-up a week later was completely clear. As a medical doctor, she trusted in the healing power of Polarity-Seichem.

Practitioner Clinic

Dates for the next Practitioner Clinic are **Oct 26th, Nov 10th & 22nd**, and **Dec 13th**. Booking is essential. If you are interested, please contact 091-586060. Schedule your own client. If you need help with finding a client please ring for details. There are still places available at the moment.

The Clinic has been running since April 2004 with great success. Practitioners and clients have benefited alike from this unique opportunity to bring supervision and professional training to the students of the School. These evenings are

designed to give you the opportunity to practice and treat people in a professional manner in a safe and supervised environment with the intention of gaining more confidence through experience. Please enrol for the next available dates.

Communication and Interaction Skills

These classes are intended to give you verbal and nonverbal tools to be with your client and to get in touch with your own truth. These will include **The Work of B. Katie**, reflective listening, etc, asking the right questions in relation to the body.

During the retreat I introduced another energetic tool that complements our work: the **Emotional Freedom Technique, called EFT**. It is an aspect of energy-psychology and is also based on the fundamental truth that any negative or destructive emotion is based on a disruption in our energy system. It works on beliefs and physical issues as well, as everything is interconnected. It is so powerful that it will be included in the curriculum now.

Date for EFT-1, the basic seminar is in November 10th -11th. Anyone who has completed module 2 or higher levels is welcome to attend. There will be an advanced class in 2006.

New Years Gathering 2006

The next New Years Gathering will be held again in the Clybaun Hotel **on Sunday the 8th of January 2006**. Please tell friends and family about this annual event to provide a space of meditation, reflection and inner silence, healing, meeting and sharing

Good-Bye - *Kathleen Sullivan*, who has completed her Module 4 (Seichem Mastership) in August, has recently moved back to the United States. I would like to thank her from the bottom of my heart for her support and patient coaching. Her professional input has contributed to where we are today with the School. Thank you so much Kathleen.

She gave us some words of wisdom she received during one of her classes, to encourage us on our path:

The light of a single soul can light the path for thousands

Congratulations - *Máire O'Regan*, one of our Affiliated Teachers is getting married October 22nd. She and *Michael* have chosen a special blessing to seal their marriage and have asked me to conduct the ceremony. May their path be blessed.

DivinaLuce Website - There will be a new website for the School. *Beate Gerlach*, one of our Affiliated Teachers and Practitioners, has agreed to take on this big job. Thank you Beate. A lot of work is flowing into it right now. Please send energy to empower its success. We are hoping to have it in the net by Christmas. A request to you all: We need testimonials to support the credibility of the powerful tools we are using. Please submit your stories regarding healing, spiritual growth, transformations, freedom and whatever you feel is relevant, as soon as possible.

Autumn/Winter Schedule - Are you interested in any of the upcoming classes or know of anyone who might be? There are still places available. Please book as soon as possible.
